

SOCIALPOLIS.IO

DECODING THE PROJECT

The Blockchain-based alternative methods in financing and their boundaries. The benefits of SocialPolis Coin holders.

SocialPolis Coin will be an enabler for the sustainable development economy and will meet the need for alternative methods in financing innovative projects offering at the same time, trust and transparency in sectors where these elements are of highest priority.

The Blockchain-based alternative financing method known as ICOs is a new form of crowdfunding that collect funds in exchange of so-called Blockchain tokens

Crowdfunding is a public call for financial investment that it is distributed among a large group of users who can evaluate the project owner's concept and can support them

1

Donation-based crowdfunding

2

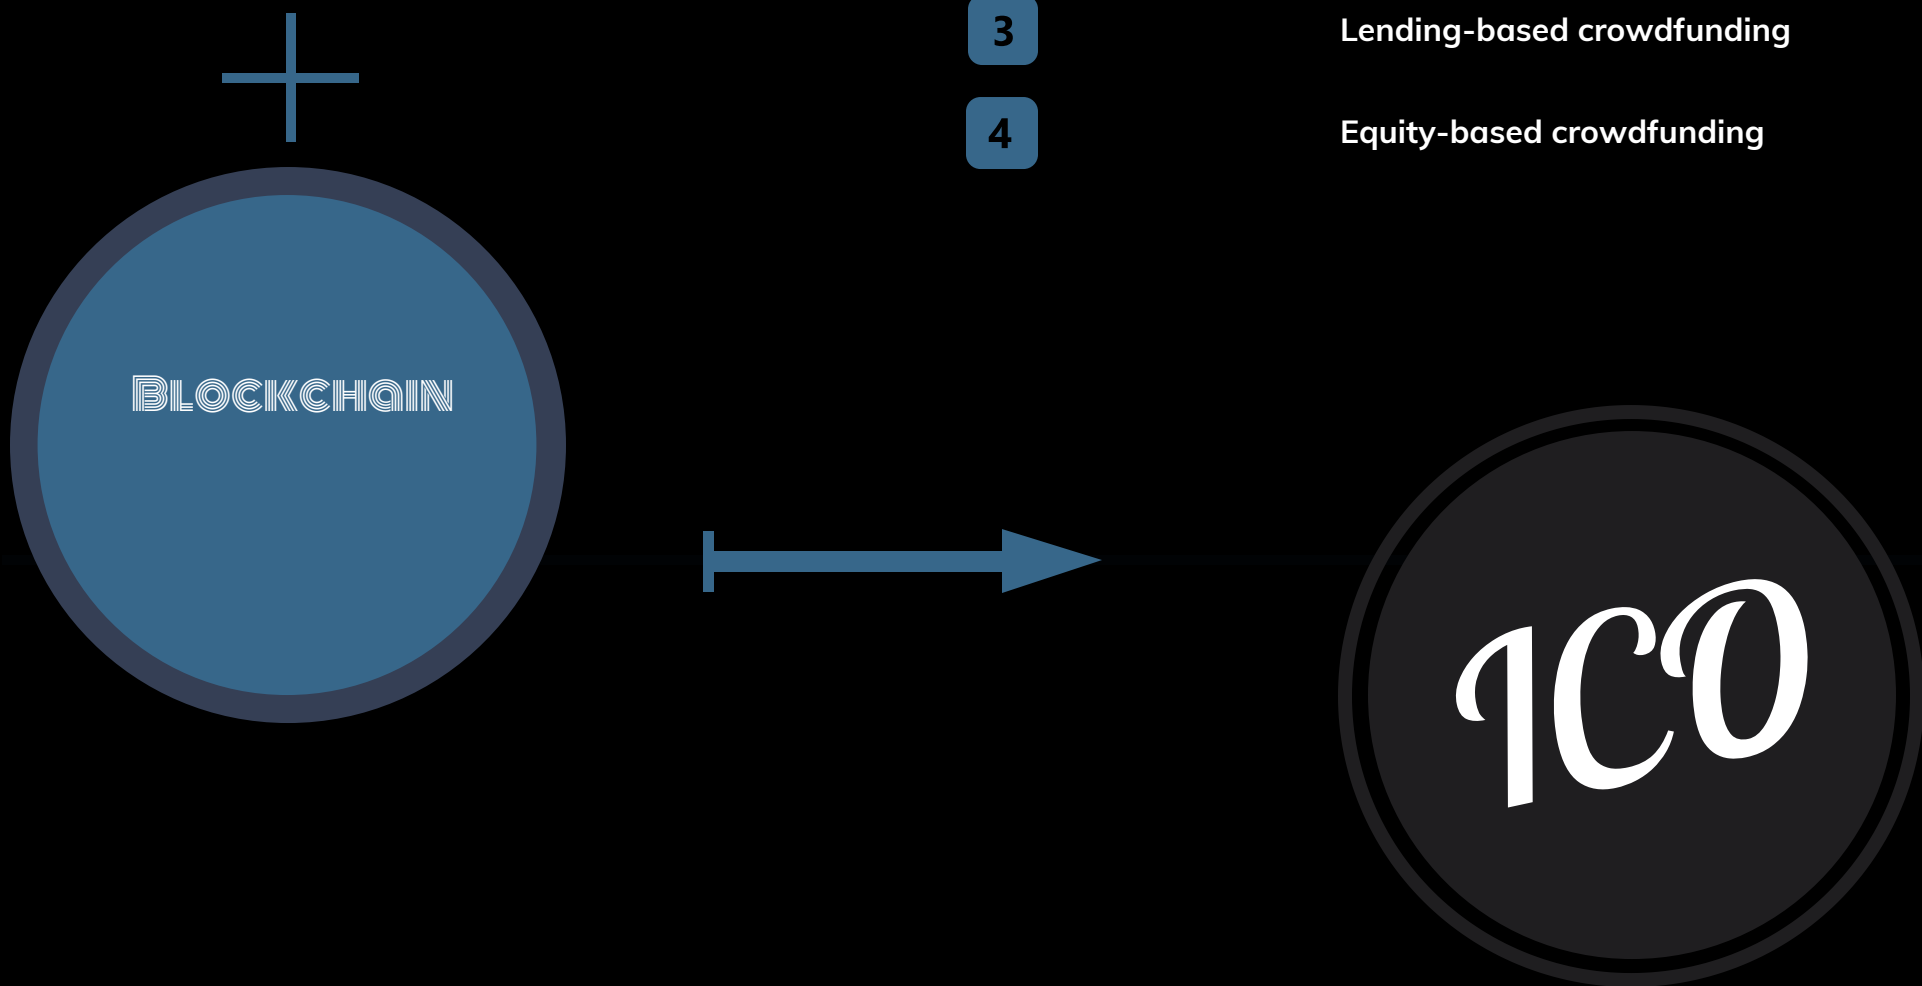

Reward-based crowdfunding

3

Lending-based crowdfunding

4

Equity-based crowdfunding

Benefits of ICOs

Greater Collected Amounts than those of Traditional Crowdfunding

A new option of capital raising

ICO business models are more flexible

Cryptocurrency relation to ICOs increases their popularity

ICOs: A Blockchain-based Solution

Organizations benefit from the anonymous, decentralized and participatory nature of Blockchain

Elimination of intermediaries

More flexible structure than an IPO

The benefits of SocialPolis Coin holders

SocialPolis Coin (SPL Coin) will be an enabler for the sustainable development economy and will meet the need for alternative methods in financing innovative projects offering at the same time, trust and transparency in sectors where these elements are of highest priority. However, what makes the project special is the benefits that it provides to SPL Coin holders.

- Purchase or sale of SPL Coins in a transparent and secure way
- Protect investors, wishing to invest in SPL Coins from any abnormal speculations created by miners or others outside the SPL Coin financial ecosystem.
- Use the SPL Coin as a mean of financial transactions between all SPL Coin holders, regardless whether they are part or not of the Social & Solidarity Economy
- Benefit from the expected rise of the SPL Coin value as the SPL Coin ecosystem is growing. As Coops and other Social/Solidarity economy's organizations re-invest most of their profits back to their community, any rise of the SPL Coin value will benefit the members of the same financial ecosystem
